---

### WORK EXPERIENCE in Tokyo

**June 2006 - April 2008**

**Freelance Web Director and Designer**

Planned, built, designed and maintained websites as a freelancer for 2 years. My clients were design companies, a TV station, a mail-order corporation, movie promotion companies, and so on.

**May 2005 - April 2006**

**Senior Web Designer / Channel Plus, Inc. (Minato-ku, Tokyo)**

Planned, built, designed and maintained contents of the Tokyo Broadcasting System (a.k.a. TBS) official website with XHTML, CSS, JavaScript and their custom CMS, and was responsible for quality assurance for their websites. Managed and trained the web design team.

**September 2002 - October 2004**

**Web Director and Designer / Digital Plus Inc. (Chuo-ku, Tokyo)**

Carried out the planning and execution of website construction for Movies. Collaborated with the engineers to make Internet games, Blogs and Shopping systems. Also, designed websites with Flash and HTML and managed the web design team.

**October 2001 - August 2002****Web Director / Sony Communication Network Corporation (Shinagawa-ku, Tokyo)**

Carried out the planning and execution of website construction, especially for Movies and TV contents.

**October 1999 - June 2001****Graphic and Web designer / i-cf, Inc (Minato-ku, Tokyo)**

Built and designed websites with HTML, JavaScript and Flash. Designed posters, brochures and logos for clients.

**May 1998 - August 1999****Graphic Designer / Od Inc. (Minato-ku, Tokyo)**

Designed packages and graphics for food products.

**March 1997 - April 1998****Graphic Designer / Studio Uni Corporation (Shinjuku-ku, Tokyo)**

Worked as a graphic designer for the ad agency. Designed merchandise brochures and flyers for ISETAN, which has been the most successful Japanese department store in the past decade.

---
